### Up On Auction Block Go Goods Of Signal Co. E

Men Are to Leave; Their Lanes  
and Penates Will Be Sold  
Week From Tomorrow

Not much longer will the player  
piano of Company E, Signal Corps, of  
Fort Shafter grind out melody there  
with its 28 records. The two barber  
chairs of the company will soon be  
empty of soldiers, likewise its dozen  
rocking chairs, 17 wash basins, elec-  
tric massage machine and other equip-  
ment.

Because the company has been or-  
dered to the Mexican front and may  
stay there a long time the above ar-  
ticles will be sold at public auction at  
10 o'clock the morning of July 1, a  
week from tomorrow, at the company  
quarters, Fort Shafter.

Company E has some very comfort-  
able quarters and if cleanliness is next  
to godliness, must be assured of sal-  
vation. In the list of articles to be  
auctioned are much tonorial equip-  
ment, ranging from barber chairs and  
a massage machine to basins, heaters  
and mirrors, not to mention a laundry  
tub.

Only one comb is listed among the  
articles put up for auction, but there  
are 10 library tables, 20 pianos and  
ferns, a lawn sprinkler, two lawn mow-  
ers and 200 feet of iron pipe with fix-  
tures.

There is also an officer's horse to  
be auctioned.

### VOLUNTEER GUNNERS SHOW SATISFACTORY PROGRESS

If the enemy had approached Fort  
De Russy between 5 and 6 o'clock last  
evening it would have been sighted,  
intercepted, bombarded and shot full  
of holes at the rate of one every 10  
seconds. That's the speed the militia  
C. A. C., under Capt. Larrison, was  
making by accurate stop watches in  
loading and discharging guns 1 and 2.

The volunteer coast defenders are  
speeding up in their practice every  
Thursday afternoon, now that another  
and younger C. A. C. is organizing in  
Kaimuki. Crews on guns 1 and 2  
were timed last night. Crew No. 2  
claimed nine seconds and Crew No. 1  
said eight, but one of their watches  
was an ingersoll. However, the reg-  
ular officers at Fort De Russy, who  
are acting as instructors, were sur-  
prised at the speed attained in such  
a short time.

### MEDICOS OF MILITIA MAY HAVE REAL TEST

Ability to solve problems in medi-  
cine and surgery may soon be requir-  
ed of medical officers in the National  
Guard, says a circular which has been  
issued by Brig.-gen. A. L. Mills, chief  
of the division of militia affairs, for  
the guidance of the militia's medical  
officers.

In the circular the brigadier-general  
calls attention to the fact that if the  
militia is called into active service its  
medical organization will be confronted  
with many problems requiring not  
only a thorough grounding in medicine  
and surgery but efficiency in both  
technical and administrative ability.

## URIC ACID GOING-GOING-GONE

"Anuric" Will Not Fail to Stop Your Backache.

People are realizing more and more  
every day that the kidneys, just as do  
the bowels, need to be flushed occa-  
sionally. The kidneys are an elimina-  
tive organ and are constantly work-  
ing, separating the poisons from the  
blood. Under this continual and per-  
petual action they are apt to congest,  
and then trouble starts. Uric acid  
backs up into the system, causing  
rheumatism, neuralgia, dropsy and  
many other serious disturbances. Doc-  
tor Pierce of Buffalo, New York, ad-  
vocates that every one should drink  
plenty of pure water between meals.  
Every day should exercise in the out-  
door air sufficiently to sweat profuse-  
ly, and from time to time stimulate  
the kidney action by means of "An-  
uric." This preparation has been  
thoroughly tried out at his Sanitarium,  
in the same way as his "Favorite Pre-  
scription" for weak women and "Gold

en Medical Discovery," the standard  
herbal system tonic (both of which  
now come in tablet form for conven-  
ience of carrying and taking). "An-  
uric" is now being introduced here,  
and many local people are daily tes-  
tifying to its perfectness.

When you have backache, dizzy  
spells or rheumatism, heed nature's  
warning. It means that you are a vic-  
tim to uric acid poisoning. Then ask  
your druggist for "Anuric" and you  
will very soon become one of hun-  
dreds who daily give their thankful in-  
dorsement to this powerful enemy to  
uric acid.

If you have that tired, worn-out feel-  
ing, backache, rheumatism, neuralgia,  
or if your sleep is disturbed by too  
frequent urination, get Dr. Pierce's  
Anuric Tablets at drug store, full  
treatment \$1.00, or send 10c for trial  
package to Dr. Pierce, Invalids' Hotel,  
Buffalo, N. Y.—Adv.

### THE VALUE OF TRUTH

Truth in business is just as important  
as truth in every-day life; truth creates  
confidence, establishes good-will and  
builds a reliability that will not be  
wrecked by the storms of competition.  
Through three generations people  
have learned to place reliance on the  
advised words of Scott's Emulsion,  
because they are unvarnished, unes-  
aggerated truths about a household  
remedy of real and actual worth.

The popularity of Scott's Emulsion  
is increasing as intelligence advances,  
because in these days of adulterations  
it continues to guarantee pure cod liver oil  
medicinally perfected with glycerine and  
hypo-phosphites to build strength, im-  
prove the blood and strengthen the lungs.  
It is free from harmful drugs—a whole-  
some food-tonic, truthfully advertised.
